The deadline is looming if you plan to submit data for the 2017 Merit-based Incentive Payment System (MIPS) performance period to CMS. Eligible clinicians must submit before March 31, 2018 to avoid the negative payment adjustment for each claim beginning January 1, 2019.

You are strongly encouraged to submit your data ASAP. There is no reason to accept a 4% decrease in Medicare reimbursement. MIPS Test Data Submission is easy, free and you have access to free assistance.

If you want to learn how you can report your MIPS data free of charge, don't delay.

Call 1-844-205-5540 or email us at techassist@qsource.org. Don't wait until the last minute to submit your data. Call for assistance today.
